IOWA STATE UNIVERSITY
University Honors Program

Default Question Block

Stewart Research Award

Please fill out this application in its entirety and direct any questions you may have to honors@iastate.edu. Once you complete this application, a copy will be sent to your project/research advisor requesting their review and approval. Please ask them to watch for the message and respond quickly.

The review committee meets approximately 1 week after the application deadline, and students will be notified of any award within 2-3 days of the committee meeting.

Name (first and last):

ISU email:

*You may provide only one email address, and it must be correct (no typos or extra spaces) in order for your application to be confirmed.

Address (street, city, zip)

<div style="border:1px solid #888; height:90px;"></div>

Classification:

○ Freshman

○ Sophomore

○ Junior

○ Senior

College:

○ BUS

○ CALS

○ CHS

○ DSN

○ ENGR

○ LAS

Major(s) and minor(s):

[   ]

Academic advisor:

[   ]

Project title:

[   ]

Planned start date:

[   ]

Project end date:

[   ]

How much time do you expect to spend on the project?

[   ]

Number of credits or amount of pay you will receive?

[   ]

Does the project involve the use of human or animal subjects?

○ Yes

○ No

IRB or IACUC approval #:

IRB or IACUC approval date:

What is the relationship of this project to your Honors Program of Study?

Please describe recent work, coursework, or background information related to this project:

What will be done to share the value of your project with other students and groups? What will happen to any tangible items produced as a result of the project?
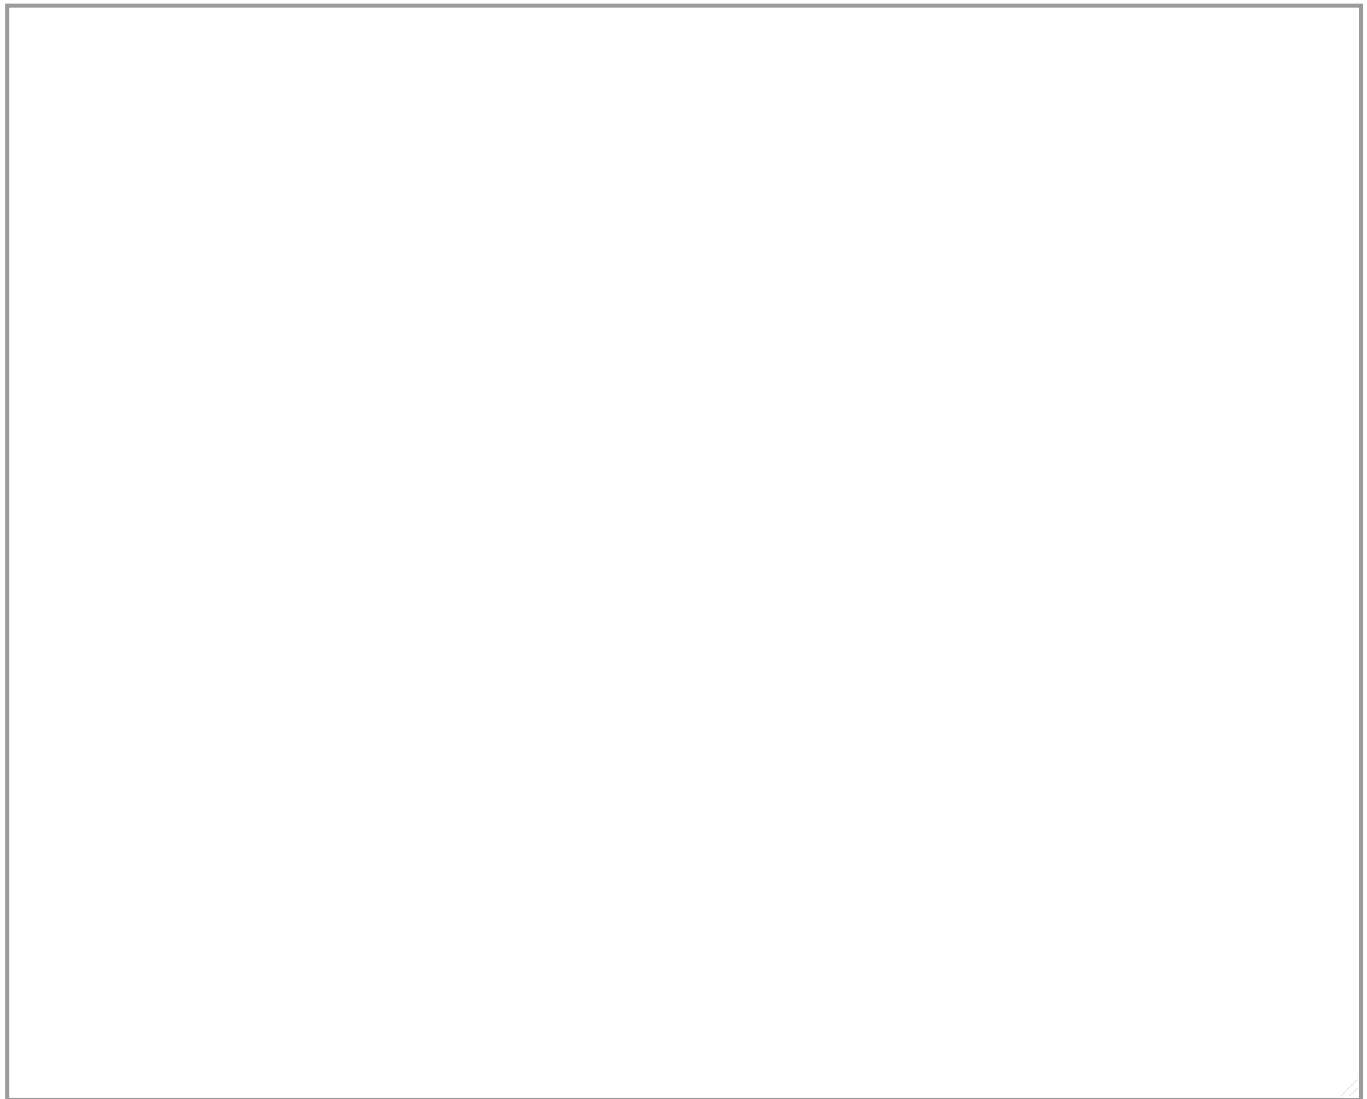

Abstract

The abstract is the most important part of the proposal. It should be carefully written and well thought-out. It should include:

- Hypothesis or purpose of the project
- Description of the subjects, apparatus, tests, or questionnaires to be used
- Other procedures and methods to be used

- How the data will be analyzed
- Pertinent references
- A statement of what will be done with the results of this project
- A statement of the significance of this project to your discipline and society

Expenses

Please provide a detailed budget, which includes the

number and types of items and their expected expense.
Stewart Grant applicants usually request up to $750.00.

EXAMPLE

Item	Cost of Item	Stewart Grant Request	Other Funding Amount	Other Funding Source
10 progesterone ELISA plates @ $100.00 ea.	$1,000.00	$750.00	$250.00	UHP Grant

	Item	Cost of Item	Stewart Grant Request	Other Funding Amount
